Visitors:

Cliff Aichinger, CAC Member

1. CALL TO ORDER

President Eisele called the special board workshop to order at 5:00p.m.

2. WELCOME AND INTRODUCTION

Greg Williams provided details of what would be discussed during the workshop. Greg reviewed issue statements, goals, and goal measurability, as well as the information the Board of Water and Soil Resources emphasizes regarding goal measurability.

3. DISCUSS DRAFT ISSUE AND GOAL STATEMENTS

Those present discussed the goals and subgoals identified for issue-area sub-issues, such as surface water quality: impaired and threatened waters; surface water quality: pollutant loading; flood risk and water quantity; ecosystem health: wetlands; ecosystem health: invasive species; ecosystem health: shoreline integrity; and groundwater: groundwater quality.

7. ADJOURN

The meeting was adjourned at 6:10 pm.
