

# CLEAN WATER NEIGHBORHOOD BINGO

Cross out as many as you can to find sources of pollution and ways you can help.

**Storm Drain**

Adopt-a-drain.org  
and keep it clean

**Leaves**

Keep leaves out of the  
street

**Oil, Grease from  
vehicles**

Repair cars leaking  
fluid and clean up spills

**Your yard**

Plant native plants  
with long roots to help  
filter water

Clean water starts  
with you!

Commit to taking one  
of these steps at home

**Bare ground**

Cover bare spot and  
add plants to prevent  
erosion

**Grass Clippings**

Rake and compost  
your grass clippings

**Pet Waste**

Throw away pet waste

**Trash/Litter**

Pick up trash in your  
neighborhood
